CONCENTRATION
GAME

When I break the cat **RULES**
Lucy hisses at me.

1. Print page one and two on card stock or other thick paper so that image is not visible from back side.
2. Cut out cards and shuffle.
3. Arrange cards face down in 6 rows of 3 (or 3 rows of 6!)
4. Each player takes a turn turning over two cards. If the cards are the same image the player keeps the pair and takes another turn. If they are not a match, the cards are turned back over and the next player takes his or her turn.
5. Continue until all of the cards have been paired and no cards remain. The player with the most pairs wins. There may be a tie.
